REDUCE THE TIME YOU SPEND ON PAPERWORK BY OVER 75%

Canada's #1 system for First Nations tax exemptions. Fill tax exemption vouchers electronically to make your day-end easier. Submit them in real-time for quicker rebates. On average our customers save over 1 hour a day on paperwork alone!

COST EFFECTIVE

Only pay for what you use with our 1¢ per litre processing fee on First Nations fuel sales. Add MiniPOS ITE to your current set up with minimal cost and start filling and submitting vouchers electronically today.

REAL-TIME SUBMISSIONS

Instantly fill vouchers through MiniPOS ITE and get money back in your account faster with electronic real-time submissions. Save on labour costs by reducing your paperwork.

QUICK STATUS VERIFICATION

Improve throughout significantly with real-time validation through WIZ-TEC servers. Reduce rebate rejections by verifying your customers' eligibility on the spot and during the sale.
